

Can you find these buildings on the High Street?

1. Full of artefacts from far and wide
2. Formerly home to a possible highwayman
3. A period place to stay
4. On the site of the old market and gaol
5. A safe place for your money
6. A warm corner with this shop!

When you have found them, you can write the names above the picture and then cut out and make the box. There is a cut out in side 1 to transform the box into a moneybox – why not save your pennies and odd change to support the Museum, as part of their ‘Museum in a Million’ appeal.

Photos and design by the Museum’s HYPE team.
